the board discussed and decided the following:

### 1. Gunshots action plan:

2. do a neighborhood walk on 8-4-10, 7:30pm, with residents and Officer Julie Smith (CAO) and Lisa Hubbard (Nbrhd Svcs), start at 3rd & Hazelwood, the goal is to show residents an awareness of crime, and to possibly identify areas of concern. Announce with door hangers and email, and solicit all residents to attend, the more the better. Should we wear our Pierson Place t-shirts????
3. do a Night Audit of the neighborhood, late Aug or Sept, this is done by the City for the purpose of identifying problem areas, it is done at night and we can participate in it, the City prepares a written report after the walk which lists recommendations for improvements (attended by police, neighborhood svcs, and the planning department)
