

CENTRAL VILLAGE ASSOCIATION

Neighbors Creating A Better Neighborhood

3-21-02

Committee Objectives

Light Rail - to plan, prepare for, and make the best out of changes coming to our neighborhood from the proposed light rail.

Public Grants - to obtain funds from various grant sources, and to make sure the funds are spent according to the grant conditions.

Newsletter - to compose and assemble a periodic newsletter about our neighborhood for dissemination to all members.

Homeless/Transients - to report homeless/transient problems promptly, with follow up to be sure the situation is resolved.

Traffic - to understand our present traffic problems, and research and implement proper solutions to those problems.

Survey - to conduct a written survey of all residents in the neighborhood, and to compile and prioritize the responses for the purpose of developing major goals for this year.

Deliveries - to deliver information to all members, in an effort to keep everyone informed about important events that occur between quarterly meetings.

Preservation - to report problem properties to the city for enforcement of code violations, and to follow up on the cases until the problems are resolved.
