CENTRAL VILLAGE ASSOCIATION

Neighbors Creating A Better Neighborhood

3-21-02

Committee Objectives

- <u>Light Rail</u> to plan, prepare for, and make the best out of changes coming to our neighborhood from the proposed light rail.
- <u>Public Grants</u> to obtain funds from various grant sources, and to make sure the funds are spent according to the grant conditions.
- Newsletter to compose and assemble a periodic newsletter about our neighborhood for dissemination to all members.
- <u>Homeless/Transients</u> to report homeless/transient problems promptly, with follow up to be sure the situation is resolved.
- <u>Traffic</u> to understand our present traffic problems, and research and implement proper solutions to those problems.
- Survey to conduct a written survey of all residents in the neighborhood, and to compile and prioritize the responses for the purpose of developing major goals for this year.
- **Deliveries** to deliver information to all members, in an effort to keep everyone informed about important events that occur between quarterly meetings.
- <u>Preservation</u> to report problem properties to the city for enforcement of code violations, and to follow up on the cases until the problems are resolved.
